Message made public: This vehicle has that new car smell! [mm/dd/yyyy]

Message made public: Yes it really is beige. It looks brown because of the way the picture was taken. The interior color is the stock beige! [mm/dd/yyyy]

Annotations

1 Conditional data displayed when buyer has active offer

2 Conditional data and action displayed if current Propose New Offer is sent from client

3 Conditional button and action. If buyer does not have an active offer on the listing than the button will read as displayed here “Make Offer” and the Make Offer functionality will display. If the user has an active offer on the listing than the button will read “ Improve Offer” and the Improve Offer functionality will be displayed.  
  
NOTE: Make Offer button and conditional active offer details will never display at same time as illustrated above.

4 Conditional button state. If listing item is in buyer inbox then display “New Message” button (as illustrated). If listing item is not in buyer inbox then display this control as “New Message (Listing will be added to your Watchlist)”. See Previous page for example

Annotations

1 Offer can not be submitted unless new offer price exceeds previous offer price

2 Expiration date values prior to previous active offer will not be selectable. Users can not select an expiration that is shorter than previous expiration

3 Conditionality of these selections is TBD – However the requirement is that if selectable for change the change must be an improvement.
